## GILLESPIE SPORTS 2021 UNDER 10 WINTER CRICKET ACADEMY

**13 Structured sessions for only \$599  
PLUS FREE ACADEMY SHIRT!**

Due to popular demand, we have now added another age group to our already successful U13 and U16 Gillespie Sports Winter Academy sessions.

The program is designed for the very early age groups (say 6-10 years old). Each session will be run by fully qualified Cricket Australia Coaches and your young Cricketers will learn in a fun environment. So much so that they won't even realise that they are doing so!

The program (to follow) will run on Sundays from late March to mid September 2021.  
All sessions will be from 12noon to 2pm.

This will be the best program in the state. If we can get them young, then your budding young Cricketers have every chance of being some of the best in the state once they reach 16!

**Make no mistake, there is no-one else in the State doing it the way we do it!  
Numbers will be restricted so get in quick to hold a spot.**

**\*\*\*\*You won't be charged until February 2021\*\*\*\***
